Snowdonia National Park

Llwyn yr Helm is a small, privately owned family park on a working farm situated four miles from the market town of Dolgellau.

We are surrounded by scenic walks, woodlands and mountains in a quiet part of Snowdonia, offering an abundance of wild life. We encourage a peaceful atmosphere on the park.

Llwyn yr Helm is ideally situated for the areas many attractions and activities, including

- Seasides with Sandy Beaches
- Sea, river & lake fishing
- Mountain climbing
- Hill walking
- Watersports
- Golf
- Bird watching
- Photography
- Cycling & Mountain Biking
- Coed Y Brenin Forestry & Mountain Bike Centre
- Tourist Attractions inc. Slate Mines & Railways

We are very involved with conservation of the countryside and encourage children's participation.

Llwyn yr Helm offers facilities for caravans, motorhomes and tents.

The 3 acres are divided into 3 distinct areas, giving a wide variety of scenic, secluded & individual flavours to the park. Our success is founded on the number of guests, including overseas, that return annually to enjoy our environment. You have the privacy to relax at your own pace, so you can create your own style of holiday.

Llwyn yr Helm has sites for owner occupied caravans on a landscaped park, each pitch offering views over the mountains and countryside. The four acres are kept to a very high standard.
